

Matrix Reimprinting Practitioner Courses In Hong Kong

Matrix Reimprinting is a completely new personal development technique developed by EFT Master and Hay House author Karl Dawson. Matrix Reimprinting dramatically improves health and wellbeing. It was developed from the popular self-help technique EFT, a meridian tapping therapy which has shown outstanding results with both physical and emotional issues.

On this course you will learn: the science behind

this technique and why it works, including the latest information on the Matrix, the New Biology, the body-mind connection, and the physiology of stress and trauma new protocols for working with trauma, relationships, addictions, phobias, allergies, birth, and the early years new ways of accessing blocked memories and much more. Whether you are new to EFT or a seasoned practitioner, this course contains a wealth of resources that will enable you to rewrite your past and transform your future - and that of your family, friends, or clients.
